Dear Captain Sullivan:

On behalf of the Foreign Broadcast Information Service, I would like to take this opportunity to thank you for all you have done over the past several years for our bureau on Truman Annex. My current chief there and his predecessor have told me that you have been a strong supporter of our efforts and assisted us on a variety of occasions. You may be assured that your efforts have been greatly appreciated.

I would also like to congratulate you on your new assignment in Tokyo and wish you the best of luck for the future.

Thank you again for your continued excellent support to our Key West facility.

Sincerely,

Director
